## Our Speakers

**Alicia Stickles** is a knowledgeable, energetic Christian speaker and teacher. Her passion for living a Christ-centered life spills over into her teaching causing participants to say *“Your insights on the Word and how to apply it to your life were refreshing and thought-provoking.”*

**Abby Shields** has been a sought-after speaker by audiences as close as Natchez Mississippi and as far away as Belize. She has also had the opportunity to speak at Focus on the Family’s 25 Anniversary celebration. The message she brings is one that teaches people to seek *“life that is truly life.”* Participants walk away from her programs saying *“Her passion for the message and the Word of God is contagious!”*
